 Francis Lui	Vice Chairman	Galaxy Entertainment Group	<p>Mr. Francis Lui is the Vice Chairman of Galaxy Entertainment Group. He is also currently serving as a Committee Member of the 12th Chinese People's Political Consultative Conference.</p> <p>Mr. Lui received his early education in Hong Kong and completed his tertiary education in the United States, where he received his Bachelor of Science degree in civil engineering and Master of Science degree in structural engineering, both from the University of California, Berkeley, in 1977 and 1979 respectively. He started working for K. Wah Group ("the Group"), which was founded by his father, immediately after his graduation. Starting at an entry-level position, Mr. Lui was promoted to Project Manager and gradually worked his way up to his current position as Vice Chairman of K. Wah Group, Executive Director of Hong Kong-listed K. Wah International Holdings and Vice Chairman of Hong Kong-listed Galaxy Entertainment Group ("GEG") (formerly known as K. Wah Construction Materials Limited). In addition, Mr. Lui is an executive director of various subsidiary companies under the Group. With over 35 years of experience in the fields of construction, property development and business management, Mr. Lui oversees the overall development and operational management of the Group and GEG. To advance his knowledge of business administration, Mr. Lui attended Stanford University in 2000 for further education.</p> <p>Mr. Lui started investing in Mainland China after its "open-door policy" and economic reforms came into effect in the 1980s. Over the past decades, he has accumulated a significant portfolio of investments in property development and construction material projects in cities such as Guangzhou, Shenzhen, Zhuhai, Nanjing, Shanghai, Huzhou and Beijing.</p> <p>In 2012, the Macau SAR Government awarded Mr. Lui the Medal of Merit for Tourism in acknowledgement of his promotion of tourism and cultural diversity in Macau.</p> <p>In addition to his business interests, Mr. Lui also serves in a number of government positions in Mainland China, Macau and Hong Kong. Among other honors and titles, Mr. Lui is an honorary citizen of Guangzhou, Shenzhen and Jiangmen, Committee Member of the 12th Chinese People's Political Consultative Conference Committee, Member of the 8th National Congress of Returned Overseas Chinese and the Family Members of Overseas Chinese, Executive Director of the Chamber of Tourism of the All-China Federation of Industry and Commerce, and Honorary Member of the Board of Directors of Nanjing University. In Macau and Hong Kong, he is Honorary President of the Association of Macau Travel Industry Professionals, Director of the Macao Chamber of Commerce and Counsellor of Our Hong Kong Foundation.</p>

	<p>CEO, International</p>	<p>IGT</p>	<p>As Chief Executive Officer, International of IGT PLC, Walter Bugno is responsible for the management and strategic development of the International region. He works directly with IGT PLC's management teams to implement the Company's vision through the ongoing delivery of value to customers, shareholders, and employees.</p> <p>Mr. Bugno leads the Company's lottery, gaming, and interactive businesses throughout Europe (except Italy), as well as in the Middle East, Latin America and the Caribbean, Africa, and the Asia-Pacific region. He also oversees private market agreement opportunities across these regions.</p> <p>He joined GTECH S.p.A. (formerly known as Lottomatica Group) in July 2010 as President and CEO of SPIELO International (now integrated into GTECH). He led the business by capitalizing on the many growth opportunities in the gaming industry, and overseeing the Company's long-term strategic direction. In 2012, Mr. Bugno's portfolio expanded to include the Company's interactive business. Under his leadership, SPIELO experienced substantial growth and became a major contributor to the Company's total earnings.</p> <p>From 2006 to 2009, Mr. Bugno was the CEO of Casinos for Tabcorp Holdings Limited, Australia's premier gambling and entertainment group. During his tenure with Tabcorp, Mr. Bugno transformed the business from being product-driven to customer-driven by revitalizing the customer casino experience with new loyalty programs, products, and customer service. Some of his successes included a new 12-year exclusive casino license with the New South Wales government, expansion of gaming products, and increases in market share.</p> <p><del>Prior to Tabcorp, Mr. Bugno was President of Camelot Soup Company in Asia Pacific from 2002 to 2006. He was responsible for Camelot's food products, manufacturing and distribution. He was previously Managing Director of Bally's Asia Pacific. Before joining the company in November 2014, Mooberry served as Senior Vice President of Games, Table Game Products, and Interactive Research &amp; Development for Bally Technologies and oversaw Bally's business in Mexico and South America. He has also held roles as Bally's Senior Vice President of Games and Vice President of Products and Operations, responsible for games, systems, and server-based solutions, product management, technology development, and global operations. Additionally, he served as Bally's Vice President of Games Sales and Operations in the Americas, responsible for Bally's games and gaming operations business throughout North America, the Caribbean, Central and South America. Mooberry previously served as Bally Technologies' Vice President, Western Regional System Sales. In that capacity, he played a key role in the signing of several major Bally Systems customers. Mooberry has more than 20 years of gaming industry experience and is also a Certified Public Accountant in Nevada (U.S.)</del></p>
	<p>Group Chief Executive of Gaming</p>	<p>Scientific Games</p>	<p>Derik Mooberry serves as Scientific Games' Executive Vice President, Group Chief Executive of Gaming. Before joining the company in November 2014, Mooberry served as Senior Vice President of Games, Table Game Products, and Interactive Research &amp; Development for Bally Technologies and oversaw Bally's business in Mexico and South America. He has also held roles as Bally's Senior Vice President of Games and Vice President of Products and Operations, responsible for games, systems, and server-based solutions, product management, technology development, and global operations. Additionally, he served as Bally's Vice President of Games Sales and Operations in the Americas, responsible for Bally's games and gaming operations business throughout North America, the Caribbean, Central and South America. Mooberry previously served as Bally Technologies' Vice President, Western Regional System Sales. In that capacity, he played a key role in the signing of several major Bally Systems customers. Mooberry has more than 20 years of gaming industry experience and is also a Certified Public Accountant in Nevada (U.S.)</p>
	<p>Chief Operating Officer</p>	<p>Gaming, MGM China Holdings, Ltd.</p>	<p>John Shigley is Chief Operating Officer of Gaming for MGM China Holdings Limited. In this role he is responsible for all aspects of casino and hospitality operations for MGM MACAU. Additionally, he is overseeing all aspects of casino planning for MGM COTAL.</p> <p>Prior to moving to Macau in 2013, John was President and Chief Operating Officer of MGM Grand Ho Tram, Vietnam, responsible for planning and implementing the staffing, marketing and operations of the first international quality casino resort in Vietnam.</p> <p>From 2005 to 2011, John was Executive Vice President at MGM Grand Hotel-Las Vegas. Starting as Chief Financial Officer, in 2008 he took responsibility for operations, development, and strategic planning.</p> <p>Between 1986 and 2005, John held executive positions with New York, New York, Caesars Palace, Caesars Tahoe, and the Primadonna Corporation. These positions included responsibilities from Finance and Human Resources to Casino Operations and Marketing, Hotel, Food &amp; Beverage and Entertainment. John held positions from AVP of Financial Planning to Chief Financial Officer of a public company to President of Caesars Palace.</p> <p>John started his career with Coopers and Lybrand, CPAs. He received his BS in Accountancy from Northern Illinois University and is currently a licensed CPA.</p>
	<p>Managing Director, Australia, New Zealand and International</p>	<p>Aristocrat Technologies</p>	<p>Mitchell has been with Aristocrat for over 12 years, working across several regions including the United States, Asia Pacific and most recently Australia in a variety of senior roles. Mitchell is responsible for the definition and creation of the overall ANZ and International Class III business strategy, with a strong focus on product portfolio development, research, insights and commercial strategy. He has a B.Science from Macquarie University and an MBA from the University of Technology Sydney and prior to Aristocrat, held several senior roles in the sporting and pharmaceutical industries. Mitchell is a key leader of the Aristocrat team and is based out of the company offices in North Ryde, Sydney.</p>
	<p>Director, Operations Planning</p>	<p>The Innovation Group</p>	<p>A dynamic professional who has in-depth experience conducting strategic and financial analysis in a variety of industries, Michael is a valuable asset for The Innovation Group. Michael joined the company in April of 2015 and currently serves as Director, Operations Planning. Prior to joining the company, Michael worked primarily in the investment management industry, where he held a variety of research-oriented roles. Based in The Innovation Group's Denver office, Michael's work covers a diverse array of scopes, clients, and geographies—ranging from full support for an operator's preliminary gaming license bid to an Asian government, to a feasibility study for a hotel expansion in Southern California. While Michael has worked with both domestic and international clients, he maintains a focus on the Asian-Pacific markets.</p>

 Sudhir Kale	CEO and Founder	GamePlan Consultants	<p>Sudhir Kalé, Ph.D., is Founder of GamePlan Consultants, a boutique firm that offers high value consulting to the gaming industry in the areas of Marketing, Customer Experience, and Analytics. He has published more than 100 papers on the marketing and management of gaming organizations. Dr. Kalé has consulted for casinos and clubs on five continents. He has been quoted in leading media including The Wall Street Journal, New York Times, Bloomberg, and the Financial Review, and has appeared on several leading television talk shows.</p> <p>Dr. Kalé has also served as an academic at University of Illinois, Arizona State University, National University of Singapore, University of South Carolina, and Bond University. His research on marketing, management, and gaming has been cited in over 3,000 publications. In his consulting practice, Dr. Kale combines the rigour of an academic with the hands-on orientation of a practitioner.</p>
 Dex Tan	Director of Gaming Optimization & Marketing Analytics	Marina Bay Sands	<p>Dex Tan is the Director of Gaming Optimization and Marketing Analytics at Marina Bay Sands, Singapore. He joined the Integrated Resort in 2010 as Senior Analyst in the Database Marketing Team. In the next 7 years with the company, he has developed a series of data marts and designed an in-house CRM platform that allowed Marketing Teams to have access to meaningful consolidated customer profiles which enabled the teams to reach out to customers in a more targeted approach. He also established processes to measure and evaluate event pro-forma and post-event analyses. Through studying of customer behaviors, preferences, spending patterns and associating them to product performance, he uncovered opportunities to increment and optimize revenue.</p> <p>In his current role, Dex oversees two areas - Gaming Optimization and Marketing Analytics, the former responsible for providing in-depth analyses of Slot and Table Game products and the latter looks at customer and marketing analytics via statistical methodologies. Moving forward, he is focused on innovating real-time predictive analytics via a big data platform, incorporating complex transactional data and unstructured video analytics - a big leap for data analytics in the integrated resort industry.</p>
